## **Ordering Information**

It's never been easier to place your direct orders with Compaq. Now you can have fast, accurate service with special options designed to personalize, process and expedite your shipments with higher levels of accuracy. Ordering Compaq products is as simple as picking up the phone, using the fax machine, or logging onto the Compaq GEM website at [www.compaq.com/govt](http://www.compaq.com/govt).

### **Online ordering**

With the Compaq Online Store, you can create quotes with real-time pricing, place an order using a credit card or purchase order, keep up-to-date on the latest product promotions and pricing available on your contract, inquire about order status and view product/price information - all from your desktop PC. Visit [www.compaq.com/govt](http://www.compaq.com/govt).

### **Faxing Option**

Faxing your order is convenient, too. Simply fill out your request on the customer purchase order and send to 1-800-825-2329. Your order will be promptly handled, and you can call a Customer Relationship Representative to confirm your order.

### **Personalized TeleSales**

To provide more personal service to you, our telephone sales and order administration representatives are assigned by territory. This means you can reach a dedicated government, education, or medical sales team every time you call - giving you added value by letting you grow personal relationships with representatives who know your product as well as your special terms and delivery requirements. To request a quote, check product availability, and other related questions, call your Telesales Representative.

## **Order Accuracy**

To ensure the accurate and timely processing of Compaq products through the Compaq GEM Department, please verify that your purchase order includes the following information: **Bill-To Address, Ship-To Address, Part Number, Description, Pricing, Reseller of Choice, Contact Name and Phone, Delivery Requirements, and Requested Delivery Date.**

## **Tax-Exempt Certificate Requirements**

All tax-exempt accounts should have a tax-exempt certificate on file with Compaq to avoid having sales tax added to their invoice. This certificate needs to be provided only once. If you are ordering for the first time, please include with your order or account application.

## **Free Configuration Services**

When you purchase Compaq products through GEM, you become eligible for configuration of Compaq hardware options and upgrades at NO extra cost. To request this free service, clearly state on your purchase order which options and upgrades you would like installed and list each configuration separately. Once an order is placed, in-stock items require 2-4 business days for installation.

## **Compaq Credit**

Compaq's financing programs can help your agency purchase or lease Compaq solutions. To inquire more about a customized financial solution proposal call your Telesales Representative.

## **Order Tracking and Status**

All orders are entered within 24 hours of receipt and are scheduled to ship on a first in first out basis. Orders are shipped within seven days of receipt provided all items are in stock and all necessary information has been properly included on your purchase order. (Remember that ship complete orders can be delayed if a particular item is not currently in stock.) To inquire about the status of your order, you can either log on to [www.compaq.com/govt](http://www.compaq.com/govt) or call your corresponding Customer Relationship Representative.

## **Returned Merchandise**

A return material authorization number (RMA) is required for all returns to be processed. Please call your GEM Customer Relationship Representative in order to have an RMA assigned. Please have a copy of the packing slip available when you call.
