WORLDWIDE LIMITED WARRANTY STATEMENT

General Terms

This Limited Warranty applies to the Compaq brand name products sold with this Limited Warranty Statement. This Limited Warranty is applicable in all countries and may be enforced in any country where Compaq or its authorized service providers offer warranty service subject to the terms and conditions set forth in this Limited Warranty Statement. However, warranty service availability and response times may vary from country to country and may also be subject to registration requirements in the country of purchase.

Compaq warrants that the Compaq product you have purchased from Compaq or from a Compaq authorized reseller is free from defects in materials or workmanship under normal use during the warranty period. The warranty period starts on the date of purchase from Compaq or from a Compaq authorized reseller. Your dated sales or delivery receipt, showing the date of purchase of the product, is your proof of the purchase date.

During the warranty period, Compaq will repair or replace the defective parts with new parts, or, at Compaq's discretion, used parts that meet or exceed performance specifications for new parts. All parts or products removed under this warranty become the property of Compaq. The replacement part or product takes on the warranty status of the removed part or product. In the unlikely event that your Compaq product has a recurring failure, Compaq, at its discretion, may elect to replace your product with a comparable product. This is your exclusive remedy for defective products.

Before returning any unit for service, be sure to back up data and remove any confidential, proprietary, or personal information. Compaq is not responsible for damage to or loss of any programs, data, or removable storage media.

This Limited Warranty does not apply to expendable parts. This Limited Warranty does not extend to any product from which the serial number has been removed or that has been damaged or rendered defective (a) as a result of accident, misuse, abuse, or other external causes; (b) by operation outside the usage parameters stated in the user documentation that shipped with the product; (c) by the use of parts not manufactured or sold by Compaq; or (d) by modification or service by anyone other than (i) Compaq, (ii) a Compaq authorized service provider, or (iii) your own installation of end-user replaceable parts if available for your product in the servicing country.

Limitation of Liability

Compaq is not liable for any damages caused by the product or the failure of the product to perform, including any lost profits, lost savings, incidental damages, or consequential damages. Compaq is not liable for any claim made by a third party or made by you for a third party.

This limitation applies whether damages are sought, or a claim made, under this Limited Warranty or as a tort claim (including negligence and strict product liability), a contract claim, or any other claim. This limitation cannot be waived or amended by any person. This limitation of liability will be effective even if you have advised Compaq or an authorized representative of Compaq of the possibility of any such damages. This limitation of liability, however, will not apply to claims for personal injury.

EXCEPT AS EXPRESSLY SET FORTH IN THIS LIMITED WARRANTY, COMPAQ MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. COMPAQ EXPRESSLY DISCLAIMS ALL WARRANTIES NOT STATED IN THIS LIMITED WARRANTY. ANY IMPLIED WARRANTIES THAT MAY BE IMPOSED BY LAW ARE LIMITED TO THE TERMS OF THIS WORLDWIDE LIMITED WARRANTY STATEMENT.

Some states or countries do not allow a limitation on how long an implied warranty lasts or the exclusion or limitation of incidental or consequential damages for consumer products. In such states or countries, some exclusions or limitations of this Limited Warranty may not apply to you. This Limited Warranty gives you specific legal rights. You may also have other rights that may vary from state to state or from country to country. You are advised to consult applicable state or country laws for a full determination of your rights.

Options and Software

The warranty terms and conditions for Compaq options are as indicated in the Limited Warranty Statement applicable to Compaq options. Compaq's only obligations with respect to software distributed by Compaq under the Compaq brand name are set forth in the applicable end-user license or program license agreement. Non-Compaq hardware and software products are provided "AS IS." However, non-Compaq manufacturers, suppliers, or publishers may provide their own warranties directly to you.

Warranty Period

The warranty period for the projector and multimedia adapter is two (2) years from the date of product purchase. The warranty period for the projector lamp is 90 days or 1000 hours (whichever is reached first) from the date of purchase.

Types of Warranty Service

Advanced Exchange

Call the Compaq Technical Support Center at **1.800.OK.COMPAQ**. A technical support specialist will help you diagnose the problem. If your product needs service, you are entitled to advanced exchange service.

During the warranty period, Compaq will ship a replacement projector or multimedia adapter directly to you. Return your failed product to Compaq using the box from the replacement and prepaid postage label. This program is subject to product availability.

Carry-in Warranty Service (where applicable)

Carry your product into any Compaq authorized service provider for warranty repair. If you choose to mail your product to a Compaq authorized service provider, you must prepay any shipping charges or taxes associated with transportation of the product shipped or returned.

NOTE: If you choose your own courier, you assume the risk of loss or damage during shipping.

Warranty Transfer to Another Country

Under the Compaq Global Warranty program, products may be purchased in one country and transferred to another country, where Compaq has a service presence, without voiding the warranty. Warranty terms, service availability and service response times may vary from country to country. Compaq is not responsible for any handling fees, tariffs, or import duties that may be incurred in transferring the products. Products may be covered by export controls issued by the United States or other governments.

Service Upgrades

Compaq offers extra coverage for your product. For information on service upgrades, refer to www.compaq.com.

Service upgrades purchased in one country are NOT transferable to another country.
